### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Lesley Shaw on 12/12/03.

The application has been amended as follows:

Claim 10. (Currently amended) A means of producing at least one coating film on at least one area of a substrate surface, having at least the following elements:

a) at least one storage container for at least one radiation-curable reactive coating formulation,

b) at least one exposure unit, and

c) at least one spraying head having a nozzle, and/or

d) a bell for electrostatic application (ESTA bell),

wherein said at least one exposure unit is designed so that radiation generated in said at least one exposure unit is brought into contact with said at least one radiation-curable reactive coating formulation in said at least one spraying head.

Claim 11. (Currently amended) The means defined in claim 10, further comprising at least one optical waveguide which brings the radiation into contact with said at least one reactive coating formulation in said at least one spraying head.
